

**PROFESSIONAL  
ENGINEER**

OSHA - Certified

*"I am thrilled to be a part of the IEI team and managing this young office. As part of the community, we aim to be instrumental in Peoria's growth and development for many years to come."*

**Thu Truitt, P.E.**  
**Operations Manager**

Mrs. Truitt is the operations manager of IEI's Peoria, Illinois office. Thu has 17 years of experience in the field of civil engineering. She has led site, road and bridge projects from conception, design, and permitting through to construction completion. Thu's experience includes a broad range of clients consisting of federal, state, municipal and private sector from Arizona to Alaska.

Thu is a graduate of the University of Iowa and a Returned Peace Corps Volunteer. She is also a member of Engineers Without Borders and a mentor for Peoria Promise and SEEDS programs.

PROFESSIONAL  
ENGINEER  
STRUCTURAL  
ENGINEER

*“I am excited about the opportunity to help IEI continue to provide excellent client service and grow our design capabilities so that we can secure and deliver the most challenging projects.”*

**Ken Smorynski, P.E., S.E.**  
**Design Group Manager**

Mr. Smorynski joins IEI to guide the efforts of the Design Group at our corporate headquarters in Chicago, Illinois. Ken has over 19 years of professional experience related to the engineering and management of transportation projects and has a unique combination of preliminary and final design engineering project experience. Ken is also a licensed Structural Engineer with experience in inspection and condition assessment; structural analysis and design; the preparation of construction bid documents, and project management for retaining wall, culverts, and a wide range of bridge structures including movable bridges.

Ken holds both a Bachelor's and Master's Degree in Civil Engineering from the University of Illinois at Urbana-Champaign. In his spare time Ken assists with his son's AYSO soccer team making a difference in children's lives.

PROFESSIONAL  
ENGINEER  
LEED Accredited Professional  
Certified Floodplain Manager

*“I love engineering because I enjoy the decision making and problem solving process of taking complex issues and unraveling and breaking them down into simple, elegant solutions.”*

**Clint Ferguson, P.E.**  
**Operations Manager**

As the Operations Manager for Infrastructure Engineering, Inc. Mr. Ferguson is overseeing the company's design and construction efforts in Chicago, Illinois. Clint brings more than 10 years of diverse civil engineering design and inspection experience, which includes the following: Transportation Engineering ranging from roadway, bridge and traffic design; Storm Water Management to culverts design, sewer separation STEP and CSO projects; Construction Administration Services and Resident Engineering.

Clint is the son of a Planning Director which fostered his love of engineering, land development, planning and zoning from an early age. After graduating from Rose-Hulman Institute of Technology, Clint attended law school at IU-Indy, but quickly found that he was more passionate about engineering. Clint is an active member of ACEC, serving on multiple committees over the last several years, and enjoys participating in Habitat for Humanity.

PROGRESSIVE  
MARKETER  
Culture Carrier  
Brand Manager

*“I am energized by the firm's core values of Integrity, Excellence and Innovation. I want clients to understand that as a firm we live our values and seek greater opportunities to demonstrate our benefits, especially the ones that build trust.”*

**Clarice Lyons-Davidson**  
**Vice President, Marketing**

A veteran of Marketing and Communications, Ms. Lyons-Davidson moved up through the ranks to serve as the head of marketing for a division of Morgan Stanley, a top tier financial services firm. She holds a bachelor's degree in Economics from Boston College and both an MBA and MLIS from Dominican University. Today she serves as the head of Marketing for IEI and is excited about enhancing the firm's visibility, role and relationships with new and existing client partners.

Clarice's civic and community activities include being a member of the National Association for the Advancement of Colored People (NAACP) and Alpha Kappa Alpha Sorority Incorporated whose on-going mission includes service to all mankind. She currently holds the leadership position of Membership Chairman in her local chapter. Clarice is also a founding member and officer of a Toastmasters International club.
